was charged with OVI as well as hit skip and having prohibited breath alcohol content. He was later released with a court date in Rocky River Municipal Court.

### 'Tis the Season' for Shoplifters

On 11/14/22 at approx. 3PM WPD received a call from Rally House at Crocker Park reporting a shoplifting incident. A male had walked out of the store with almost \$1000 worth of Cavs and Browns merchandise. While the man was not in the area when officers arrived, an observant store worker spotted him as he walked into the Wendys at Crocker and Detroit Rds. Officers spoke with him there and recovered the stolen merchandise. The 61yo Cleveland resident was arrested and charged with misdemeanor theft. He also had warrants from Aurora, Beachwood and Westlake from prior thefts from stores.

### Scammed for Thousands

On 11/15/22 at about 8:15PM a citizen came to WPD to report a fraud. The Westlake resident had received an unexpected phone call from a man who indicated he worked for the Amazon Fraud Department. The person told our victim that she had numerous compromised Amazon accounts. This included her associated bank accounts. The scammer indicated that the victim's accounts had been used to purchase Apple products in New York. After being transferred several times to different people, the fraudsters talked the victim into buying thousands of dollars in Target gift cards to pay for the remedy of all the identity fraud. The citizen had read the gift card numbers to the fake person who said they were from the "Alternate Dispute Resolution" center. Later, the victim felt suspicious of the transactions and contacted the real Amazon Customer Service to learn that it was all a scam.

### Unlocked Vehicles Entered

On 11/16/22 WPD received several calls in the morning hours

about unlocked vehicles which had been entered the previous night. Items stolen included purses, cash, credit cards and identification cards. The streets impacted were Cornerstone and Fitzroy. In an attempt to develop suspects, Westlake Detectives are in contact with neighboring cities who had vehicles stolen during the same night.

### More Shoplifting

On 11/17/22 at about 12:00PM WPD received a call from Nordstrom Rack about a shoplifting. Loss prevention for the store had stopped a female as she walked out with a new coat without paying. Officers arrived and also noted that the 61yo Westlake resident appeared intoxicated. She admitted to taking "a few pills." The clothing was returned to the store and the shoplifter was booked into the Westlake Jail where she was cited with misdemeanor theft and disorderly conduct while intoxicated.

### And More Shoplifting!

On 11/17/22 officers responded to a report of a shoplifting in progress at Dicks Sporting Goods. The employees followed 2 females out of the store after they took security sensors off numerous clothing items, hid them in bookbags and walked out without paying. The 2 shoplifters were found to be juveniles from Lakewood. The clothing was returned to the store and the girls were transported to the Westlake station to await their parents. Stolen items from Claire's was also found in their possession. Charges will be filed in Cuyahoga County Juvenile Court.

### Gun Shots Reported

On 11/06/2022, at 2222 hrs, a resident in the 600 block of Canterbury reported hearing several gun shots. Officers responded to the area but were unable to locate the source. Nothing out of the ordinary was located.

### Early to Bed, Early to Rise

On 11/07/2022, at 0745 hrs, a resident in the 28000 block of Osborn reported construction had started prior to 0800 hrs. An officer was dispatched and the contractor was advised of the hours of operation for the noise ordinance.

### Online Fraud

On 11/07/2022, at 0956 hrs, a resident in the 300 block of Oakmoor reported she had been the victim of online fraud. She was selling an item on Facebook Marketplace for \$800. While waiting for the buy-

ers Zelle transaction to come through, she received an email from what appeared to be Zelle, advising that her Zelle account was a personal account, not a Business account. In order to upgrade, she had to temporarily submit \$200 before the \$800 could be received. She paid for the upgrade, and received notification from her bank that the transaction was made. She then received another email requesting another \$300 to complete the upgrade. At this time, she realized she was being scammed. BVPD reminds residents to be very cautious of while conducting business using cash apps.

### Credit Card Fraud

On 11/07/2022, at 1042 hrs, an Elmwood resident reported that someone had fraudulently opened three credit cards using her personal information and charged over \$20,000 to the cards. Police are investigating.

### Loud & Disorderly

On 11/10/2022, at 2024 hrs, several callers in the 23000 block of Russell reported a neighbor was in his backyard throwing things and yelling loudly. Officers quickly located the male and after speaking with him learned he was upset after an argument with his girlfriend. He was advised of the complaint and told to keep the noise down. A half hour later officers were called back to the house for the same type of behavior. The male was cited for Disorderly Conduct-Intox, and ultimately transported to the hospital for injuries sustained during his outburst. The 46 yoa male will face charges at RRMCC.

### Close those Doors

On 11/11/2022, at 1112 hrs, a resident reported a neighbor's front door had been standing wide open for an extended period of time. Responding officers checked the interior of the vacant house. Nothing unusual was located and the door was secured. BVPD reminds residents to call immediately if you see something suspicious.

### Too Much Fun!

On 11/11/2022, at 2117 hrs, BVPD received a complaint of a disturbance in the Bay Presbyterian parking lot. Responding officers located a group of teenagers who admitted to dancing and making recordings for social media. They were advised of the complaint and sent on their way.
