Westlake Easter Egg Hunt is March 23

The Westlake Town Criers have announced the 2024 Westlake City Easter Egg Hunt and Candy Scramble will again be held at the Westlake Recreation Center, 28955 Hilliard Blvd., on Saturday, March 23.

There will be two candy scrambles: the first at 1:00 p.m. for ages 4 through 6, and the second at 1:30 p.m. for ages 7 through 10. At these times the children will scramble for wrapped candy in addition to searching for special eggs redeemable for a stuffed animal.

For those children age 3 and under, there is a non-competitive Easter Egg Hunt where the child simply hunts for colored eggs that are redeemed for candy and prizes.

There will also be live, 6-foot Easter bunnies available for pictures, and there will be refreshments and face painting courtesy for the Westlake High School National Honor Society.

The event is held at the outdoor playground area. Come early as the scrambles start promptly and parking is limited.

There is never a charge and a great time is had by all.

Mark 2 Roofing: Restoring Your Faith in Contractors

Investing in a new roof is one of the most important decisions a homeowner will ever make.

Finding a contractor who is trustworthy, guarantees their work and uses only the highest quality materials are all factors in making a decision that will last for years.

Mark 2 Roofing is a local roofing and exterior renovation company serving Northeast Ohio. It is led by a husband-and-wife team - Kent and Jaime Krivich - who are committed to delivering the best in quality roofs and customer service.

Mark 2 Roofing has extensive experience in identifying storm related damages and coordinating with insurance companies to relay that information.

"We help protect our clients and offer competitive pricing for full roof replacements," reports Kent. "As certified contractors with GAF, we use the top-of-the-line roofing system for every project," adds Jaime. "We take pride in our work and services, ensure all roofs are brought up to building codes, and love seeing the beautiful transformations!"

Dealing with the stress of storm damage on your property can be overwhelming. "We want to minimize the stress for our clients and maximize the value of their home," says Kent. "We come to our community as a strong team with proficiency in efficient diagnosis, quality installation, and expertise in restoration," says Kent.

As professionals in the industry, quality building and customer satisfaction are

top priorities for Mark 2 Roofing. "We value our community, and we value our work".

Mark 2 Roofing offers the following services:

- Free inspections
- Residential & Commercial Properties
- Roof Repairs
- Full Roof Replacements
- Full Siding Replacements

Mark 2 Roofing also uses trusted crews of veteran professionals. Customers do not have to worry about second-hand subcontractors.

Satisfied customers are the goal for Mark 2 Roofing in each and every job. Here is a look at what some have to say!

"I highly recommend Mark 2 Roofing. Kent and Jaime were a pleasure to work with!! They handled everything, working with my insurance and HOA, and providing help with colors. The whole process was very professional and painless!!!! Great job on the cleanup and the roof looks great. Job well done, thank you." – **Debbie N.**

"Thank you SOO much to Kent and his amazing team at Mark 2! We felt so cared for each step of the way while replacing our roof and siding. They helped with making the right selections of colors, dealing with our insurance, and working with our HOA! I highly recommend this company to anyone. In fact, several neighbors are now using them too! The BEST people and so kind and professional." – **Ashley O.**

"We have used Mark 2 for millions of dollars' worth of projects everything from a single-

family home to entire developments and would recommend them to ANYBODY! Reasonable and responsive...clean and honest." – **David B.**

Why 'Mark 2' Roofing?

"Mark 2 Roofing comes from a story in the bible, book of Mark 2: 1-12," says Kent. "It is a story in the bible that represents strength in community and friendships, the power and authority of Jesus Christ, as well as retelling the earliest account of roof damage found within recorded history -- just a joke we tell when asked about the name of our company, and we always say - "Someone had to come fix the roof!"

Jesus Forgives and Heals a Paralyzed Man

¹ A few days later, when Jesus again entered Capernaum, the people heard that he had come home. ² They gathered in such large numbers that there was no room left, not even outside the door, and he preached the word to them. ³ Some men came, bringing to him a paralyzed man, carried by four of them. ⁴ Since they could not get him to Jesus because of the crowd, they made an opening in the roof above Jesus by digging through it and then lowered the mat the man was lying on. ⁵ When Jesus saw their faith, he said to the paralyzed man, "Son, your sins are forgiven." ⁶ Now some teachers of the law were sitting there, thinking to themselves, ⁷ "Why does this fellow talk like that? He's blaspheming! Who can forgive sins but God alone?" ⁸ Immediately Jesus knew in his spirit that this was what they were thinking in their hearts, and he said to them, "Why are you thinking these things? ⁹ Which is easier: to say to this paralyzed man, 'Your sins are forgiven,' or to say, 'Get up, take your mat and walk?' ¹⁰ But I want you to know that the Son of Man has authority on earth to forgive sins." So he said to the man, ¹¹ "I tell you, get up, take your mat and go home." ¹² He got up, took his mat and walked out in full view of them all. This amazed everyone and they praised God, saying, "We have never seen anything like this!"
