## Camelot!

Honorary Chairs of last week's North Coast Health Ministry annual Celebration of Caring, Diana and Ray Marvar, welcomed outgoing Fairview Hospital President Jan Murphy to the LaCentre event last Thursday. Jan is on her way to Abu Dhabi of the United Arab Emirates, where she assumes the role of COO of Sheikh Khalifa Medical City, managed by Cleveland Clinic. "I was blessed to be here for a very special time," said Jan as she rose from floor nurse to become President of Fairview Hospital for the past eight years. "To be here to see the opening of Parkview - and now the opening of our new ED and ICU - is something I could never have imagined. It has just been a blessing. I feel like this was our Camelot!"

## Walk to End Alzheimer's at All-Pro Freight Stadium

If you don't know or love someone with Alzheimer's yet...just wait.

Alzheimer's is epidemic and growing faster than our population is aging.

It's the only one of the top 10 killer diseases in America with no cure or treatment.

If you would like to be part of a world without Alzheimer's, then join us at the West Side Walk to End Alzheimer's.

The West Side Walk is September 21st at All Pro Freight Stadium in Avon (home to the Lake Erie Crushers) on Routes I-90 and 611. The activity begins at 8:30 am, the interactive Opening Ceremony at 9:30, and the 3 mile walk (or 1 mile option) at approximately 9:45. Those who want to show their support but cannot walk can watch from the stands.

With more than 800 walkers last year, the Walk is growing into a great community event for Lorain County & the west side of Cleveland. All proceeds go to the Alzheimer's Association... won't you join us this year??

Go to [www.alz.org/cleveland](http://www.alz.org/cleveland) and click on the AVON Walk to End Alzheimer's to register, or call 215.346.1761 to get more information on walking individually or forming a walk team with friends, family, fellow workers. # DAVIDSON FAMILY VISITS LAKE ERIE HARLEY

continued from page 1

"It was just an honor to have them here," said Stevens. "This was the only stop they made in Ohio." A long line of fans and guests awaited a chance to meet the celebrities, bringing mementos to autograph.

This ride, which included other H-D executives, started at H-D's York, Pa. factory, where the majority of H-Ds are made. Bill Davidson literally took a brand new Harley-Davidson right off the assembly line to ride on the trip. Along the trip to Milwaukee, they stopped at several H-D dealerships, though Lake Erie Harley-Davidson was the only Ohio dealership that the Davidsons stopped at. Upon arriving in Milwaukee, the H-D that Bill rode was placed in the Harley-Davidson Museum. Monday, August 19, H-D unveiled a new liquid and air cooled engine available on several models which will offer increased performance among other many other significant features.

Lake Erie Harley-Davidson President and Owner Mike Stevens joined the Davidsons on their trip to the 110th celebration in Milwaukee.

Lake Erie Harley-Davidson, was founded in 1939 as the Elyria Harley-Davidson Sales Company. Next year Lake Erie Harley-Davidson will celebrate its 75th anniversary as a family owned and operated Harley-Davidson dealership.

Bill and Karen Davidson, great-grandson and great-granddaughter of one of the founders of Harley-Davidson, William A. Davidson, with Rocky River Chief of Police Kelly Stillman (right) and Lt. Bill Crates at Lake Erie Harley in Avon last week.

## Ridgeville Sophomore Scores 4 TDS

Defending Southwestern co-champ Westlake was rudely introduced to North Ridgeville sophomore running back sensation DeMario McCall Friday night as the Demons were surprised by the host Rangers, 34-21. McCall scored four TDs - on runs of one, 16, 22 and one yards - as the Rangers

showed they will not go 1-9 again this season. For Westlake, which went 9-2 last year with a playoff appearance, things got dicey early as the Rangers jumped to a 28-0 lead. The Demons battled back behind senior quarterback Kent Axcell, but the heavily favored Demons were unable to close the gap.
