# UH St. John Auxiliary Presents \$121,000 in Hospital Support

It was truly a day of celebration as the **University Hospitals St. John Medical Center Auxiliary** presented gifts in excess of **\$121,000** to medical and support needs for the hospital on Dec. 4.

The astonishing number was shared at the **UH St. John Medical Center Auxiliary Christmas Luncheon** hosted at **Lakewood Country Club**.

"It was a lovely afternoon for staff and many new and old Auxiliary members who enjoyed the entertainment and festive atmosphere and delicious food at Lakewood Country Club," said **Joyce Holod, Auxiliary President**. "Recognition goes to our **Luncheon Committee (Ardis Radak, Cathy Hall, and Lois Gulling)** for their fine job in planning the event and to all who assisted in any way. I would also like to thank everyone who donated food items for our collection for **Westlake Community Services (Senior Center)**.

"The main purpose of the luncheon, however, is for the formal presentation of the Auxiliary's donations, and

*Lisa Gallaway, Asst. Treasurer, Sig Senko, Corresponding Secretary, Vicki Jancsi, Recording Secretary, Joyce Holod, President and Michele Mastantuono, Vice President*

the **UH St. John Auxiliary** is excited to donate such a large amount this year.

"We know these gifts will make an important difference to the various departments of the hospital, and also to the patients it serves. Thank you to the current Auxiliary Officers and Board for their commitment and hard work and to everyone who has supported our fundraisers and **Gift Shop** to make this possible."

Introductions of the 2018-2019 Auxiliary officers and installation of the 2020-2021 Auxiliary officers followed the festive holiday meal and luncheon prayer from Sr. Kendra Bottoms.

The 2018-2019 elected officers include **President Joyce Holod, Vice President Michele Mastantuono, Recording Secretary Carol Rosing and Corresponding Secretary Sig Senko (Treasurer, Ann Kulik, retired in October.)**

2020-2021 elected officers are **President Joyce Holod, Vice President Michele Mastantuono, Recording Secretary Vicki Jancsi, Corresponding Secretary Sig Senko, and Asst. Treasurer Lisa Gal-**

laway.

The Remainder of Current Auxiliary Board includes **Gift Shop Buyer Linda Whelan, Manager of Volunteer Services Penny Evans, and UH St. John Vice President of Mission & Ministry Sr. Kendra Bottoms.**

Joyce then presented the Auxiliary gifts to the various hospital department recipients. All expressed heartfelt gratitude for these blessings that answer specific needs of each department.

**Michele Hippler, PT, DPT, Supervisor for Physical Therapy** characterized the thanks all held for the generosity of gifts. Michele's department received \$10,000 for a Rehab Harness System which will assist patients in regaining lost mobility. "We will be the **ONLY** facility on the west side that now offers this equipment," enthused Michele.

**Paul Forthofer, Community Outreach Coordinator**, was equally enthusiastic over the \$15,000 his department received for outreach programs, education and support for glucose and cholesterol measuring supplies and equipment. "These funds enable us to carry out the important work of community outreach. We are just very grateful," he said.

All gifts came in response to requests received from the various hospital departments, addressing needs specific to each area. Michele Mastantuono also announced the inception of a new program for next year - a **UH St. John Auxiliary Scholarship Fund!**

The 2019 gift total reached **\$71,528.31** - all monies earned by the Auxiliary through sales in the **UH St. John Medical Center Gift Shop** and through various fundraising activities throughout the year.

The event ended with an unexpected surprise for **UH St. John Medical Center President Robert David**. Called to the dias by Joyce Holod, Rob was astounded when he

opened the envelope she presented.

In the envelope was a check for \$50,000. The message: **The UH St. John Medical Center Auxiliary is pleased to have the opportunity to present UH ST. JOHN MEDICAL CENTER with the following donation: GIFT TO NON-OPERATIONAL ACCOUNT in the amount of FIFTY THOUSAND DOLLARS. Our best wishes for a happy and blessed holiday!**

"The Annual Auxiliary Holiday Luncheon is one of my favorite events of the year," said David. "When Joyce called me to the podium, I was stunned and overwhelmed with joy when she presented a check in the amount of \$50,000 to UH St. John Medical Center.

"The hard work and dedication our Auxiliary puts in each day is overwhelming. On behalf of the Board of Directors, our employees and physicians, we wish to thank them for this amazing contribution."

At the end of the day, Auxiliary gifts to the hospital totaled **\$121,528.31!**

It was truly a time to celebrate at **UH St. John Medical Center** - a joyous lunch that celebrated generosity and commitment to compassion.

As Sr. Kendra closed the afternoon with prayer, all joined in her offering, **"All glory to You, Lord!"**

## He Said That the Problem Was My Tooth?

by Jeffrey Gross, DDS, FAGD of *The Healthy Smile*

Who said what? That was my question. I saw a patient recently who pointed to his front tooth that was ready to fall out. He decided that it was time to deal with that tooth and the other teeth in his mouth that were failing. His occupation involved sales, and cosmetic appearance was a crucial factor in his business success.

He proceeded to tell me that he spent considerable time in the hospital with lung issues. Over the counter pills were not sufficient to resolve his sick lungs. The initial regimen of hospital antibiotics did not work either. The hospital recruited a specialist in infectious diseases to sort out the problem.

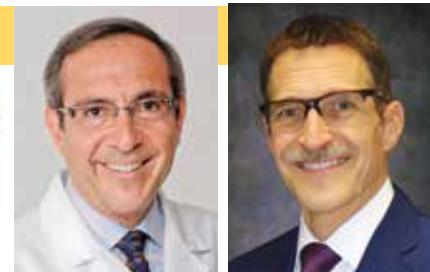

After many questions and tests, this doctor finally asked our patient the state of his oral health. He responded that it was dismal. At this time, the physician stated that his mouth and infected teeth, in particular, were the cause of his non-healing lungs. My patient was very confused. After all, what does the mouth have to do with the lungs?

We tend to think of our teeth as something that is outside our bodies. Just think about it. We have a primary care

physician to treat every aspect of our body with one major exception. The family doctor does not address our teeth. Our teeth need a different person for that. So, it is quite natural to think that our teeth are not part of the rest of our body.

Nothing can be further from the tooth! The teeth sit in a base composed of gums and bone. These tissues anchor our teeth to our bodies. When something goes wrong with a tooth, it spreads to the base. An infected tooth spreads to the gums and causes an infection. Once the disease is in the gums, spreading to the rest of the body via the bloodstream is very easy. The bacteria from the oral infection will lodge in some distant organ. In our case, it was the lungs and resulted in a hospital stay.

Our health and cosmetic solution for our patient was the removal of all of the offending teeth. In his case, this was a life-saving move. They were beyond the point of treating the infection in the mouth. It was too late for that. I was able to place teeth in his mouth immediately and thereby solve the cosmetic issue. There was no way for him

Dr. Louis Malcmacher Dr. Jeffrey Gross

to be without any teeth for any length of time.

We need to take oral health and disease very seriously. It can kill you. If you have been putting off that required dental care, call Joyce and set up a time for a consultation. There is never a charge to talk to you and explore some ideas together. I look forward to seeing you.

## Shop with a Cop Brings Christmas Cheer!

Sunday was the best day of the year for area Police as well as kids from the community.

It was the annual **Cops and Kids Day!**

Officers from all over the west side raised enough money to take 120 kids from their communities shopping at the North Olmsted Walmart.

If you heard a ton of sirens Sunday morning, it was the run of fun as they made their way through North Olmsted, Westlake, Rocky River, and Fairview Park. If you have never seen the parade of police cars it is really quite impressive. Along with the sirens, Police give the kids control of the loud speakers too, so you may have heard little voices yelling 'Merry Christmas,' 'ho ho ho,' or even singing a carol.

The caravan left North Olmsted High School around 9 a.m. and arrive at Walmart probably around 9:20 am. What a great day!

## David Dombrowiak: Leaving a Legacy of Compassion

David T. Dombrowiak is retiring as the **President and CEO** of the beloved west side **Community West Foundation**.

As a testament to his compassion and depth of his faith, **Community West Foundation** inherits his legacy as a visionary leader. He has served as the organization's **President and CEO** for 21 years.

His career has planted the seeds of inspiration for many to see God's love made visible.

His support and concern for the marginalized, the oppressed, the downtrodden, the poor and the broken hearted are the stamp of the many **Community West Foundation** programs that serve the West Side as well as **Fairview and Lutheran Hospitals**.

David has approached philanthropy with creativity, encouraging efforts to strengthen the health and well being of our community. He has raised public awareness of the issues that affect all: homelessness, hunger, mental illness, the disabled, and the inability of many to access quality health care.

David's vision for the **Foundation's Strategic Plan** is drawn from the words of **Matthew 25:40**, "Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me."

This message reflects the core principle of the Foun-

son lying on a bench covered by a blanket. It is a dramatic visual representation of **Matthew 25:40**. Mr. Dombrowiak has made **Homeless Jesus** available as a gift to the entire community. The public art travels to area churches and schools to raise awareness of the homeless among us.

David has initiated and hosted community **Poverty Simulations**. These outreach seminars engage the community to understand more deeply, empathize more fully, and treat those in poverty with more dignity and respect. The experience adds depth to their work to gain a better understanding of the daily challenges of living in poverty.

When David started at **Community West Foundation** 21 years ago, there was no logo, no mission or Strategic Plan, no website, and limited community awareness of **Community West**.

David T. Dombrowiak, with his daughter Lauren, wife Mary Ann Dombrowiak and son Jesse at the Beck Center for the Arts 2016 Spotlight and Man of the Year Award.

ation's work and mission: **To care for the least of our brothers and sisters in need.**

That mantra has led to a litany of efforts that carry David's creative signature.

His devotion to uplifting the marginalized led him to create the **SocksPlus Program** at **Community West Foundation** in 2014. The project has collected over **\$1 million** in monetary donations and in-kind items for our neighbors suffering and burdened by homelessness. It is emblematic of his **Community West Foundation** initiatives that continue to change and improve how the poor are served in our community.

Through David's efforts, **Community West Foundation** welcomed the inspiring sculpture, "**Homeless Jesus**" to its campus. It is the work of world-renowned Canadian artist Timothy Schmalz and it is capturing the heart and soul of people.

The sculpture represents Jesus as a homeless per-

Today, the assets of the Foundation are now an astounding **\$126 million**.

Foundation grantmaking has also increased under David's leadership, with the Foundation giving **\$101 million** to care for the needs of our community. The foundation's total donations are over **\$90 million** from donors who believe in the Foundation mission and place their trust in David.

Broadening the efforts of the Foundation, David created the **Invest West Program**, offering creative, collaborative ways to encourage giving and promote philanthropy locally.

Through the **Colleagues Program**, David has shared **Planned Giving** expertise with local nonprofit organizations, securing gifts that they might not otherwise be able to obtain. He knows the importance of providing the best in philanthropic services to donors and nonprofit partners to make the most of every charitable dollar to help those in need.

**David Dombrowiak** has also been committed to the refugee community and refugee issues. His support has built bridges across a wide variety of cultures, ethnic backgrounds and traditions. As the **Chairman of the Board** of the **Caritas Baby Hospital of Bethlehem Foundation**, he has helped to grow charitable donations for a hospital located in the midst of great turmoil and in one of the most impoverished regions in the world. This support provides a new source of hope for the most vulnerable infants in the place where the **Christ Child** was born.

In September 2010, David was invested as a **Knight of the Equestrian Order of the Holy Sepulchre of Jerusalem**. He has risen to the rank of **Knights Commander with Star**.

He also accepted the call to lead the Cleveland, Toledo and Youngstown section of the **North Central Lieutenancy** of the Order. The Order has provided exemplary service to the Church, and a readiness to serve the needs of the **Palestinian Christians in the Holy Land**, demonstrating Christianity in its purest form.

**Mr. Dombrowiak** has won awards for his work and activism. He has been recognized for his outstanding civic, community and charitable works by many local leaders and organizations, as well as by the **U.S. Senate** and **The White House**.

He is most admired, however, for his tender heart for the suffering.

David Dombrowiak leaves an important message as his legacy: **We become more complete as human beings by caring more about others and to be present to those in need.**

**David Dombrowiak** has helped all to see that of God in each person, that special **Spark of the Divine**, and to be the magnificent beings of compassion and light that all are destined to become.

Each of the **Community West Foundation Trustees** are crucial to its mission. But no one more so than David Dombrowiak, who has steadfastly encouraged all to set high expectations, confront challenges and lead boldly.

The heart of David Dombrowiak has been unwavering for the forgotten, the homeless, the hungry, the refugee, the mentally ill, the hurting and suffering. He is an untiring champion for the less fortunate, and his great courage and imaginative spirit have been a gift to the community. He has transformed Community West Foundation in ways that will continue to benefit Cleveland's West Side for years to come.

As **David and Mary Ann Dombrowiak**, who reside in Lakewood where they are members of St. Luke's Parish, now enter a new phase of life, they take with them the heartfelt thanks of a community.

Give the gift of warmth and comfort. Give the gift of socks, plus more.

### When was the last time you were excited to receive socks?

For thousands of Cleveland's homeless, socks are a gift that's never taken for granted. Socks are the #1 asked for item by those living outside.

Our less fortunate families in need, including our veterans who have served honorably, lack essentials like socks, boots and blankets and are struggling just to stay warm and dry.

Our goal is to keep our homeless men, women and children warmer this winter. Your donation can help with some basic necessities of this population. No matter what you give, your gift makes a difference.

## RRHS Students Place 2nd at Hyland Software Innovation Showdown

Four Rocky River High School (RRHS) students recently competed at the Hyland Software High School Innovation Showdown and took second place at the event.

Juniors **Jason Gronn**, **Keegan Kovach** and **Matthew Stueber**, and freshman **Hugo Stickney** represented RRHS at the event. The team was selected for the program among a number of teams in the Greater Cleveland area because of its initial proposal and was one of just six teams to advance to the final round.

The Hyland High School Innovation Showdown is a team competition that tasks students to use their creativity to come up with an innovative concept that could solve a real-world problem. Team conduct brainstorming sessions, develop project plans, and work together to showcase their idea effectively.

The RRHS team designed the PlugShine lightbulb as a way to reduce the 7 million tons of glass waste produced every year. The students discovered a way to reuse the glass cover of a lightbulb and just replace the lighting element inside.

Hyland Software employees serve as mentors for the teams throughout the competition, giving students direct access to industry professionals for guidance and insight.

## WEST SHORE BLUES: THE BEST OF THE BEATS

### Westlake Bank Robbery

On 11/22/19 at approx 5:45PM the manager at Key Bank on Columbia Rd called Westlake Police to report that they had been robbed. A white male handed over a note to a teller indicating that he had a weapon. No weapon was observed and no one was injured during the robbery. The male made off with an undisclosed amount of cash. Later that night, the Ohio State Highway Patrol checked on a male sleeping in a

vehicle at a rest stop in Milan, OH. The vehicle was listed as stolen out of Vermont and the male, a 36yo from Cheaster, VT had an active bank robbery warrant from a robbery in Bellows Falls, VT. Seeing the resemblance to the Westlake robber, WPD detectives were dispatched to interview the suspect. Evidence was collected and a warrant was obtained for felony robbery to be served once he is finished with OSP's charges.

### Guns, Kids & Grass in Traffic Stop

Westlake Police report that On 11/22/19 at about 11:15AM an officer stopped a vehicle on Crocker at Union St for traffic and equipment violations. The officer noted evidence of recent drug use in the vehicle and 2 children in the back seat and investigated further. A search revealed that the vehicle contained 3 loaded handguns and suspected marijuana. The driver, a 29yo Lorain resident, was arrested and charged with having weapons under disability. This was due to his prior felony convictions of weapon, drug and assault violations. The female passenger, a 37yo Lorain resident, was cited with possession of marijuana and released with her children. At the Westlake Jail, the male was also found to be in possession of suspected crack cocaine which will prompt additional charges of conveyance into a jail facility and possession of cocaine.

### 2.5 Times Legal Limit

On 11/23/19 at approx. noon, officers responded to a motor vehicle crash in the intersection of Columbia and Detroit Rds. One of the driver's involved almost fell over when trying to retrieve his license and insurance. The 44yo North Ridgeville resident was field tested and arrested for OVI. He later tested over 2 1/2 times the legal limit. Luckily no one was injured in the collision. The male was charged with felony OVI due to having 7 prior OVI convictions, including 1 felony OVI in his past. He was transferred to the Cuyahoga County Jail.

### Meth Pipe Found

On 11/27/19 at approx. 1:30PM officers responded to a report of a male possibly trying to break into a shed at a residence on the 26000 block of Westwood Rd. The described male was actually located sitting on the ground by the shed whittling a stick.

While he was taken into custody without further incident, the 33yo Kent, OH resident admitted that he had methamphetamine and a pipe with him. He added that he had just smoked it. The male did not have any explanation on why he was in the yard except to say that he was going to see his "friend" inside the backyard shed. The male could not be booked in immediately due to his intoxication. Drug charges are pending.

### Driving and Drugs

On 11/30/19 at approx. 9:35PM an officer stopped a vehicle on I90 E/B at Columbia for a traffic violation. The driver appeared overly nervous and indicators of possible illegal drug possession were seen in the car. Investigation revealed that the 26yo male Huron resident was in possession of suspected psilocybin mushrooms and marijuana. The male was arrested for possession. While being transported to the Westlake Jail, he also admitted to having a small amount of cocaine on his person. The male was charged with possession of a controlled substance.

### Crash on I-90

On 12/1/19 at approx. 0330AM officers responded to multiple calls of a crash on I90 E/B between Columbia and Clague Rds. The

driver of the 1 vehicle accident was unconscious and bleeding upon the officers' arrival. The male soon woke up but seemed out of sorts. While waiting for an ambulance, the investigators detected an odor of an alcoholic beverage on the male's breath. They also learned that there was a loaded handgun in the truck. The male was transported to the hospital and was later charged with OVI as well as failure to control and possession of a gun while intoxicated.

### Drugs Found in Vehicle

On 12/1/19 at approx. 3:30PM officers observed a suspicious vehicle parked by itself at the Red Roof Inn on Clemens. Inside the car were indicators of drug use. Officers contacted the vehicle's operator in one of the rooms to investigate further and observed additional evidence of drug use. The investigation revealed that a 34yo Cleveland female was in possession of suspected cocaine and paraphernalia along with a small amount of suspected marijuana. She was charged with felony possession of drugs.

### Drinking, Driving and Crash

On 12/1/19 at about 7PM officers responded to a report of a traffic crash on Center Ridge at Acadia Trace. The operator of one of the vehicles appeared to be intoxicated and failed field sobriety testing. The 58yo Westlake resident was arrested for OVI. He later refused a breath test. Luckily no one was seriously injured in the crash. The 58yo was charged with refusing a chemical test with prior OVI convictions, OVI and assured clear distance.

### Passed Out at Shell

On 12/3/19 at about 9:30AM officers were dispatched to the Shell Station at Clague and Center Ridge for a suspicious situation. A female in her 20's was reportedly passed out in a vehicle in the parking lot. In addition, the radio was blaring. The caller had tried to wake the female with no luck. Officers had to unlock the vehicle to wake up the driver. The 24yo Westlake resident admitted that she had been drinking the night before but was now no longer impaired. She did have several open license suspensions and was cited for these before being turned over to a friend who arrived on scene.

### PeePee in Public - No No

On 12/5/19 at approx. 2:43AM an officer observed a vehicle pull out from behind a business plaza at Clague and Center Ridge Rds. It was stopped for a traffic violation. The driver admitted he had pulled behind the closed businesses to urinate. The plates on the vehicle did not match the car and there was an open can of alcohol in the vehicle. To make the driver's situation worse, the 25yo Cleveland resident had a suspended license. The vehicle was towed while the driver was cited with Driving under suspension, open container, fictitious plates, and headlights required. The male was sent on his way with a court date.

### Phone Phraud

On 11/15/19 at approx. 5:15PM WPD took a report from a resident about a fraud. The victim had received a telephone call from a female with a foreign sounding accent who informed him that he had warrants for his arrest out of El Paso, Texas for money laundering and drug trafficking. The female even had the victim's social security number, name and address. She said that she would assist in clearing up the matter and issuing a new social security card. The scammers talked the victim into depositing thousands of dollars into bitcoin accounts.

### Many Stolen Wallets

Between 11/16 and 11/17/19 WPD took several reports of stolen wallets containing credit cards from purses at various stores at Crocker Park.

- On 11/16 there was a theft from the employee room at Sur La Table. That stolen credit card was used at Target in Avon.
- There was also a theft from a shopping customer's purse at

Nordstrom Rack. That credit card was used at the Apple Store.

- On 11/17 there were similar thefts of credit cards from Soft Surroundings, Giant Eagle and Kirkland. All of the credit cards were used at local stores as well.

- On 11/17/19, while following up with videos of the suspects, 3 individuals were identified as being involved. With the help of South Euclid PD, Westlake was able to arrest individuals seen using the stolen credit cards in at least 3 of the thefts. Two 51yo females, one from Rochester, NY, the other from Syracuse, NY and a 55yo male from Rochester, NY were arrested and charged with felony engaging in a pattern of corrupt activity.

### No Case Too Small

Resident of Sprenger Health Care reported to Management that she had \$9.75 taken from her nightstand. Management followed their protocol for investigating the complaint. They were unable to determine a suspect or locate the missing quarters. Per their protocol they are to report the theft to police. Officer wrote a statement for the victim due to being legally blind. She was able to sign the statement. The quarters went missing on or before 11-22-2019 when resident attempted to put a quarter in the denture container and realized it was missing. She indicated the change was for bingo and was in an orange denture container. At this time there are no suspects so the case will be closed.

### Theft at Kohl's

November 29, 2019 Theft Offense Kohls 3221 Westgate 1430 hrs Kohls loss prevention called to report two shoplifters being detained. The two females were observed by the LPO selecting items and placing them in the backpack of one of the suspects. Other items were selected and placed in a mesh Kohls bag and both left the store without paying for \$228 worth of merchandise. The two suspects were stopped exiting Target and detained till police arrival. The 61 year old female suspect from Lakewood admitted the theft and was arrested for Petty Theft. The 15 year old suspect from Cleveland was held for her parent and will be charged by Kohls via Juvenile Court. The adult suspect was later released on bond.

## 2 WHS Students Named Among the Nation's Most Accomplished Young Artists

Two Westlake High School seniors earned recognition from the National YoungArts Foundation as being among the nation's most accomplished young artists.

WHS senior **Graeham Guerin** was named the finalist in Jazz/Double Bass, while senior **Tim Picard** was recognized for Jazz Guitar at the Merit Level. The two are among 686 of the nation's most accomplished young artists in the visual, literary and performing arts. Selected from thousands of applications and representing artists residing in 40 states and six countries, all 2020 YoungArts winners gain access to financial, creative and professional development opportunities throughout their careers.

Graeham has played double bass for four years and is planning to major in Jazz Studies/Double Bass in college. He hopes to have a career as a professional musician. Graeham is a College Credit Plus (CCP) student at Cuyahoga Community College (Tri-C), where he takes courses in math, English, sociology and music. He also participates in several Jazz ensembles at Tri-C.

Tim has played guitar since fifth grade, participating in the Lee Burneson Middle School Jazz Band. He, too, is a CCP student at Tri-C, where he takes music courses and participates in several ensembles. He is planning to major in Jazz Studies in college and similarly hopes to work as a professional musician. Tim's older brother, Rob, also was a YoungArts Merit winner his senior year in Jazz Percussion. Rob is a junior at Jackie McLean Institute of Jazz at the University of Hartford.

Selected through a blind adjudication process, the winners represent the top 10% of applications. Graeham will be among the finalists attending National YoungArts Week in Miami in January. During this intensive, week-long program, finalists will participate in master classes and workshops with internationally recognized leaders in their fields, and will showcase their work to the public at the New World Center and the YoungArts campus

## Westlake Meals on Wheels Thanks Community for Food Drive Support

Meals on Wheels volunteer Diane Lawson & "Santa"

Westlake Meals on Wheels serves five communities in the area, and was overwhelmed with the generosity from multiple organizations and the general public that donated to a recent Food Drive. The goal was to provide Meals on Wheels recipients with a small supply of non-perishable, easy to prepare food items in the event Meals on Wheels cannot deliver because of inclement weather.

The fire departments in the five communities served by Meals on Wheels were collection points, and several departments accompanied "Elves" that delivered the bags to recipients in their respective communities the first week of December.

Several schools and clubs participated as well. "We were extremely excited to get young people involved in this project," said Executive Marie Patten-Blatter. "Our recipients enjoy knowing young people took the time to help."

In Bay Village, Bay Village High School students held a competition between homerooms and collected over 950 applesauce cups.

The Bay Village Middle School Builders Club also generously collected raisins.

The Westlake Hockey Team came in for a service project and assembled a hygiene kit and also held a food drive at one of their hockey games.

The North Olmsted High School SITES Program was a collection point and also regularly participates as kitchen assistants at Meals on Wheels as part of their service program.

The Senior Centers in Bay Village and North Olmsted were also collection points. The Senior Group at Jenkins Place in Olmsted Falls prepared blankets to include.

Several Prayer Shawl Ministries from area churches generously donated prayer shawls to share with the recipients. Christ the King Vineyard Church, St. Ladislav, St. Raphael's, and St. Mary of the Falls in Olmsted Falls donated

Bay Village Fire Dept Captain Dave Stump

handmade shawls and blankets.

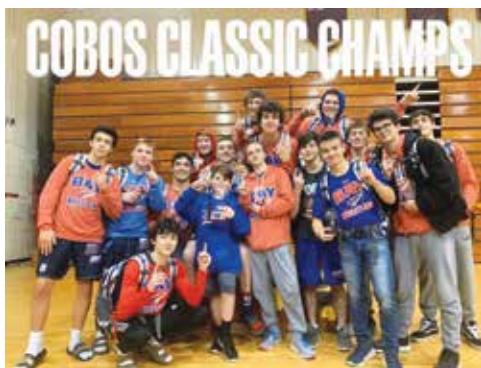

"The support we received from our communities was amazing," said Blatter. "We are so fortunate to have residents that are willing to help when asked, and community partners that jump in at a moment's notice."

The "We Care About You" bags are the first in a series of initiatives that Meals on Wheels hopes to provide their recipients to keep the communities in touch with a population that truly does appreciate the kindness of those that live in their neighborhoods.

For more information on the meal services provided by Meals on Wheels, or to inquire about volunteering, please call 440-871-2551.

### Seniors Helping Seniors® In Home Care Services Celebrating Ten Years in the Community

"We have learned that dehydration, malnutrition, falls and depression can have severe consequences on older adults," states Janet Callaway who, along with her friend, Alice Iseminger, opened their non-medical, in-home senior care business, Seniors Helping Seniors® services, in 2009. The consequences of these issues include a loss of independence, health, and peace of mind.

In-home care is all about staying comfortable in your own space for as long as possible, with a bit of extra help. Seniors Helping Seniors hires mostly older adults (40+) to come into the homes of seniors to help with daily tasks that may have become more challenging with age. "We strive to have the same one or two caring people come into the home so that a real bond can develop between the one who is receiving help, and the one providing the help" explains Callaway. "Our years in business have taught us many things," adds Iseminger, "But most of all, to be patient, with others, with yourself, and to plan ahead for life's aging process."

If you or your loved one need affordable, one-on-one attention in the security and familiarity of home, call Janet at 440-935-3848.

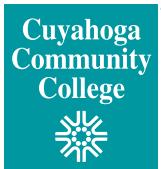

Tri-C® is in Westlake!

Cuyahoga Community College (Tri-C) offers an affordable choice for higher education. In fact, you can save thousands by earning an associate degree at Tri-C before transferring to a four-year university to complete your bachelor's.

## Herb Guild Displays Wreath at Cleveland Botanical Garden

by Barb Armstrong

From left to right: Shelley Perry, Shirley Swindell, & Kathy Tierney.

This year, the Herb Guild Garden Club has decorated a wreath for the GLOW display at the Cleveland Botanical Garden in the University Circle area. Every year area clubs are invited to decorate Christmas trees or wreaths at the botanical garden to exhibit to the public during the holiday season. The Herb Guild Wreath is based on Alice's Adventures in Wonderland and shows many marvelous handmade items depicting the imaginative story of Alice.

Visitors can see the club's wreath, as well as other clubs' decorations, now until January 4, 2020. The hours are: Tuesdays, Wednesdays: 10am - 6pm; Thursdays, Fridays: 10am - 9pm; Saturdays: 10am - 6pm; Sundays: Noon - 6pm. The botanical garden will also be open Christmas Eve and New Year's Eve from 10am-3pm. Visit their website for additional information. Admission is \$15 for adults; \$10 for children ages 3-12. Tickets can be purchased online at cbgarden.org. Cleveland Botanical Garden and Holden Arboretum members are always free.

Besides the trees, there will be a gingerbread house display and activities for the children. The museum has a cafeteria where you can grab some decent food and a gift shop to get last minute gifts. This is a fun family event sure to bring some holiday cheer to everyone
