Families of transition age student's grades 8-12, please join us on Saturday, February 24, 2018 from 9:00 AM – 3:00 pm for an informative and fun day taking a closer look at the process of future planning for your student and family!

Planning for the future can be overwhelming; graduation is right around the corner and the more you know, the better. We want to help students and families thinking about employment and living in their community after graduation get the information and support they need to plan ahead.

Students (Grade 8-12) are welcome to attend; they will participate in sessions to work on goals setting, career exploration, and self advocacy with their peers!

Vendors and local businesses will also be available to share information on their services and connect with families.

Registration is FREE and REQUIRED!
Please Register by February 9, 2018 using this link:
