Talk Saves Lives

An Introduction to Suicide Prevention

Presenter: Jane Lewins

Join us on Thursday, October 4 at 7 pm

In the US, a person dies by suicide every 12 minutes.

About Jane:

Jane is a Licensed Social Worker, certified in Collaborative Approach to Managing Suicide, and a Level I Child Trauma Specialist. Since the death of her son in 2011, Jane has been working tirelessly to open discussions about mental health and suicide, to educate and bring awareness to the subject of suicide, help create and pass legislation, and create supportive resources for survivors of suicide loss.

*We hope you can join us for this
timely, informative and inspirational evening.*
