ABOUT THE AUTHOR:

Maureen Schuler, Psy.D., began her career as a nun in a cloistered community. Following her faith and life's path, Dr. Schuler decided to become a middle school teacher before stepping into her true calling in the field of psychology. After working as a clinical psychologist for 25 years, she is now retired and sharing her wisdom in *You Are a New Creation*.

ABOUT THE BOOK:

You Are a New Creation was inspired by the words of N.T. Wright, a retired bishop of the Church of England. He counseled that Christian endeavors should be directed toward justice and beauty. In her book, Dr. Schuler teaches us how to put that belief into subtle reality.

"Cooperating with God in the designs that he has for our lives allows him to make of our souls the eternal beauty for which we were created."
